Agency and Site Information

Reporting Period: Choose the Reporting Period from the drop down box.
Agency Name: Type your Agency Name
Home Capacity: Type Yes or No to the question "Do any homes have a capacity of 5 or more (Yes/No).

A.) Enter the total number of Sites that were actively used during this reporting period including those opened or closed during this reporting period. This information should be documented for each setting column.
B.) Enter the total number of Children in Care who resided in this setting during this reporting period including those who exited or moved during this reporting period. This information should be documented for each setting column.
C.) Enter the total number of incidents involving restraint in this setting during this reporting period. This information should be documented for each setting column. If none enter "0".
D.) Enter the total number of incidents in this setting during this reporting period involving restraint that resulted in a reportable injury to a child arising from the use of a restraint . This information should be documented for each setting column. If none enter "0".
E.) Enter the total number of Children in Care who were placed in a restraint more than three times in this setting during this reporting period. This information should be documented for each setting column. If none enter "0".
F.) Enter the total number of incidents during this reporting period wherein a child in care in this setting was placed in a restraint and a person participating in the restraint was not certified in the application of the type of restraint used. This information should be documented for each setting column. If none enter "0".
G.) Enter the total number of incidents involving involuntary seclusion in this setting during this reporting period. This information should be documented for each setting column. If none ente
H.) Enter the total number of incidents involving involuntary seclusion in a locked room in this setting during this reporting period. This information should be documented for each setting column. If none enter "0".
I.) Enter the total number of room(s) that were used or could have been used for involuntary seclusion in this setting during this reporting period. This information should be documented for each setting column. If none enter "0".
J.) Enter "0" for the dimensions of room(s) that were used or could have been used for involuntary seclusion in this setting during this reporting period.
K.) Enter the total number of children who were placed in a restraint more than three times in this setting during this reporting period. This information should be documented for each setting column. If none enter "0".
L.) Enter the total number of incidents during this reporting period wherein a child in care in this setting was placed in involuntary seclusion and a person participating in the seclusion was not trained in it's use. This information should be documented for each setting column. If none enter "0".
M.) Enter the total number of Children in Care who were placed in a restraint and in involuntary seclusion in this setting during this reporting period. This information should be documented for each setting column. If none enter "0".
N.) Select the drop down for the appropriate residential type.

Child Information

You must list all children in care during this reporting period, even those who exited services before the end of the period. The following will explain each question in this section.

Child Identifier: Enter the child's identifier (First 3 letters of their last name followed by the first 2 letters of their first name). Enter information for each child across the row headed by the child in care's identifier

Race/Ethnicity: From the drop down menu, choose the child in care's identified race/ethnicity. This may be repeated for each race/ethnicity with which the child in care identifies by returning to the drop down menu and choosing another identified race/ethnicity.

Hispanic and Latino/a/x
Central American
Mexican
South American
Other Hispanic or Latino/a/x

American Indian and Alaska Native
American Indian
Alaska Native
Canadian Inuit, Metis, or First Nation
Indigenous Mexican, Central American, or South American

Asian
Asian Indian
Cambodian
Chinese
Communities of Myanmar
Filipino/a
Hmong
Japanese
Korean
Laotian
South Asian
Vietnamese
Other Asian

Native Hawaiian and Pacific Islander
Charmoru (Chamorro)
Marshallese
Communities of Micronesian Region
Native Hawaiian
Samoan
Other Pacific Islander

Black or African American
African American
Afro-Caribbean
Ethiopian
Somali
Other African (Back)
Other Black

White
Eastern European
Slavic
Western European
Other White

Middle Eastern/ North African
Middle Eastern
North African

Other
Other
Don’t Know
Don't want to answer

Biological Gender: From the drop down menu, choose the child in care's biological gender.
Identified Gender: From the drop down menu, choose the child in care's identified gender.
Migrant Status: From the drop down menu, choose the child in care's current migrant status. If the migrant status has changed during this reporting period, choose the most recent.
Primary Language: From the drop down menu, choose the child in care's primary language.
Augmentative Communication: From the drop down menu, identify if the child in care utilizes an augmented communication device.
Economically Disadvantaged: From the drop down menu, identify if the child in care is economically disadvantaged.

Total Restraints: Enter the total number of incidents that resulted in this child being placed in a restraint during this reporting period. If none, enter "0".
Uncertified Restraint: Enter the total number of incident this child was placed in a restraint by any person who is not certified in the use of that specific restraint. If none, enter "0".
Reportable Injury: Enter the total number of incidents that resulted in a reportable injury arising from the use of a restraint. If none, enter "0".
Steps Taken to Decrease Use: From the drop down menu, identify all applicable descriptions of the steps taken during this reporting period to decrease the use of restraint for this child. This may be repeated for each applicable description by returning to the drop down menu and choosing another description. If the child in care was involved in more zero to three incidents that involve restraint choose only the option: "Three or fewer restraints/seclusion occurred during this reporting period".

Total Seclusion: Enter the total number of incidents that resulted in this child being placed in involuntary seclusion during this reporting period. If none, enter "0".
Seclusion in a Locked Room: Enter the total number of incidents that resulted in this child being placed in involuntary seclusion in a locked room during this reporting period. If none, enter
Seclusion Untrained: Enter the total number of incidents this child was placed in involuntary seclusion by any person who is not trained in its use. If none, enter "0".
Steps Taken to Decrease Use: From the drop down menu, identify all applicable descriptions of the steps taken during this reporting period to decrease the use of involuntary seclusion for this child. This may be repeated for each applicable description by returning to the drop down menu and choosing another description. If the child in care was involved in more zero to three incidents that involve involuntary seclusion choose only the option: "Three or fewer restraints/seclusion occurred during this reporting period".

Reporting period:	07/01/2026 - 09/30/2026
Agency Name:	Cornerstone Valley
Do any homes have a capacity of 5 or more (Yes/No):	No

A.) Number of Sites Served during this reporting period	10	
B.) Number of Children in Care in this setting during this reporting period	31	
C.) Total # of Incidents involving restraint	58	
D.) Total # of incidents resulting in a reportable injury to a child arising from the use of a restraint.	0	
E.) Total # of children who were placed in restraint more than three times	6	
F.) Total # of incidents in which a person who placed a child in care in a restraint was not certified in the use of the type of restraint used	0	
G.) Total # of incidents involving involuntary seclusion	0	
H.) Total # of Incidents involving involuntary seclusion in a locked room	0	
I.) Number of rooms that have been used or would be used for involuntary seclusion	0	
J.) Dimensions of room that has been used or could be used for involuntary seclusion	0	
K.) Total # of children who were placed in involuntary seclusion more than three times	0	
L.) Total # of incidents in which a person who placed a child in care in involuntary seclusion was not trained to use involuntary seclusion	0	
M.) Total # of children who experienced both restraints and involuntary seclusions	0	
N.) Setting Type	24-Hour Residential
